

BEATEN IN DARK AT STATION, SAYS ALLEGED BANDIT

Three Men and Woman Held
in Connection With Ja-
maica Express Hold-Up.

Dorothy Davis, Joseph and Michael Spano and Joseph Kraus were arraigned before Judge Doyle at Jamaica, L. I. to-day and held for further examination on next Monday on suspicion of having been implicated in holding up two men and stealing \$2,000 from an Adams Express Company wagon here yesterday.

The four prisoners were placed in the custody of the Sheriff, none having furnished bail. When Kraus was arraigned he was wearing a very noticeable black eye. Asked by the court where he got it, as there was no evidence of such an injury when he was brought in following his arrest yesterday, Kraus reluctantly stated he was afraid to tell where he got it for fear of getting another from the same source.

He was finally induced to say that he was taken from his cell in the police station at 2 o'clock this morning and after being dragged to a dark room was struck over the head with a rubber hose which felled him to the floor. When he awoke, he alleged, he was pummeled about the head.

BUENZ IN COURT FOR SENTENCE TO-MORROW

Convicted Former German Consul
Here to Be Arraigned Before
Judge Howe.

Dr. Karl Buenz, former German Consul General in New York and managing director of the Hamburg-American Line, will be arraigned before United States Judge Howe to-morrow morning to show cause why he should not serve a sentence of eighteen months in the Federal Penitentiary at Atlanta.

Buenz was arrested noon after the start of the war, charging false manifests in an effort to supply German raiders off the coast. He was convicted and sentenced to serve his liberty on \$15,000 bail. He fought the case to the United States Supreme Court, which recently affirmed his sentence.

Buenz then applied to Washington for a pardon, asserting that his health was so poor that he would die if sent to prison. It was said to-day he would produce doctors in court to-morrow in an effort to show the condition of his health.

NURSE SHOTS DRUGGIST TO DEATH ON STREET

"Everybody Knows Why," She De-
clares After Firing Five Shots
at Holyoke Man.

HOLYOKE, Mass., April 5.—George A. Elliott, aged thirty-five, proprietor of the Park Pharmacy here, was shot to-day while on the way from his home to his place of business, receiving wounds that caused his death an hour later in a hospital.

Miss Minnie I. Butterworth of Springfield, aged twenty-nine, a nurse, was arrested, charged with murder. She had fired five shots from a revolver at Elliott, the police allege, and when arrested was in the act of reloading the weapon preparatory, she said, to killing herself.

When arraigned she told the court of her acquaintance with the dead man which she said had extended over several years, adding, "Everybody knows why I did it."

HELD IN FILM STOCK DEAL.

R. S. Davidson of the firm of R. S. Davidson & Co., No. 42 Broadway, indicted in connection with Louis D. Jennings and Harry Brodsky, Mayor of Redondo Beach, Cal., for the sale of stock of the Standard Film Industries Corporation, was arrested to-day at his home, 51st Street and West End Avenue.

Judge Mulqueen in General Sessions committed him to the Tombs in default of \$50,000 bail. His attorney, David Blado, protested that Davidson had not the corporation when he had acquired it, and had taken no part in the sale of the stock.

PRESIDENT MAY SPEAK NEW WORD TO RUSSIA

Baltimore Address Expected to In-
clude Fresh Expression of
Encouragement.

WASHINGTON, April 5.—That President Wilson will add a fresh word of encouragement for Russia in his Baltimore speech to-morrow night was the conviction in dinner-table quarters to-day. This view was derived in part from the fact that the President has counseled lately with Charles E. Crane of Chicago, who studied Russia at close range, and with the White House confidential adviser, Col. House.

Crane's views of Russia—although not of Trotsky and Lenin—are particularly sympathetic, and in accord with the Chief Executive's. He believes that despite the chaos in the Slav nation there is a strong chance to get the Russians ultimately to cast off the Teuton yoke.

Incidentally, some liberals back

from Europe are urging that Presi-
dent Wilson recognize the Soviet Gov-
ernment of Russia. This they say
would give a strong stimulus to the
rehabilitation of Russia and the over-
throw of Teutonism.

RATE INQUIRY ORDERED.

WASHINGTON, April 5.—A general

investigation of railroad freight rates
on petroleum and petroleum products
was ordered to-day by the Interstate
Commerce Commission.

The investigation was decided on in
view of wide differences in the amounts
and percentages of recent rate increases
sought by the railroads. It appeared
said the order, that an equitable ad-
justment of rates could be effected only
by a general investigation.
